PETITION UNDER 37 C.F.R. 1.183
(MPEP 711.03(c) I)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

The attached Petition to Withdraw Holding of Abandonment is being filed twelve days after the expiration of the two-month grace period in which to respond to the Notice of Abandonment dated February 2, 2004. The 12-day delay, from February 2, 2004 until today, was unintentional.

The reason this delay occurred is that the experienced paralegal assigned by Applied Materials, Inc. to the handling of the correspondence in this application became unavailable on or about Friday, January 30, 2004, one business day before the mailing date of the Notice of Abandonment. Her cases were eventually taken over by a new employee, Emma Koh, who had no prior experience in patent prosecution and did not understand the significance of the Notice of Abandonment dated February 2, 2004 nor the need to respond to it immediately, or expedite its forwarding to the undersigned. Ms. Koh probably received the Notice of Abandonment around February 14, 2004, as it was apparently received by Applied Materials on February 11, 2004. Our telephonic inquiries and discussions with Ms. Koh made today caused Ms. Koh to realize for the first time the nature and significance of the Notice of Abandonment and faxed it immediately to our office. Also, the

undersigned was unaware of the receipt of the Notice of Abandonment at Applied Materials until today. Therefore, there was no intentional delay in responding to the Notice of Abandonment.

MPEP 711.03(c)I, 3rd paragraph, provides, in part, "Rather than dismiss an untimely petition to withdraw the holding of abandonment. . . The Office may treat an untimely petition to withdraw the holding of abandonment on its merits in a utility or plant application filed on or after June 8, 1995, on the condition that the petition is accompanied by a terminal disclaimer dedicating to the public a terminal part of the term of any patent granted thereon that would extend beyond the date 20 years from the filing date of the application." Such a terminal disclaimer is attached to the accompanying petition. Therefore, applicants hereby petition the Commissioner to treat the attached Petition to Withdraw Holding of Abandonment on its merits.

The required fee under 37 C.F.R. 1.17(h) is submitted herewith.

Commissioner for Patents

Dear Sir:

Applicants hereby petition the Commissioner to withdraw the above-identified application from abandonment.

The Notice of Abandonment was mailed out by the USPTO on February 2, 2004 indicating that the subject application was abandoned based upon Applicant's failure to timely pay the required issue fee and publication fee within the statutory period of three months from the mailing date of the Notice of Allowance, and that the issue fee and publication fee have not been received.

Applicants have searched the subject file for the Notice of Allowance papers. Applicants conducted a search of their docket records which evidenced that the papers were not received. A copy of the docket record search results indicating where the papers would have shown up is enclosed herewith. The first two "screens" have the action items received. The last "screen" is the case data.

Accordingly, it is respectfully requested that this petition be granted and a new Notice of Allowance/Issue Fee Due be issued.

This petition is accompanied by a Petition under 37 CFR 1.183 and a Terminal Disclaimer pursuant thereto.

Date: April 14, 2004

Respectfully submitted,
